

## **We Ask Only This....**

Divine Creator, Source of all Creation

We ask for purity of mind, for growth in our spiritual awareness, for inner strength, and to remember that Love is what we are and what You are.

We give our faith and devotion to what is true and ask for freedom from all that is untrue.

We acknowledge that when we are healed we are not healed alone and so we receive tonight on behalf of everyone.

Bless us with clear thinking, memory of our truth and wisdom to guide us home.

Amen

## **Lyrics to Forever in Love**

I'll go where you'll have me go  
I'll do what you would have me do  
I'll be forever in Love with you

I'll touch who you would have me touch  
I'll see what you would have me see  
I'll be forever in Love with you

AH.....Forever in Love with you

I'll feed who you would have me feed  
I'll give what you would have me give  
I'll be forever in Love with you

I'll play what you would have me play  
I'll sing what you would have me sing  
I'll be forever in Love with you

I'll dance in the Light of your Love  
Forever in Love with you  
I'll dance in the Light of your Love  
Forever in Love with you  
Forever in Love with you  
Forever in Love with you  
Only YOU

## **The Name of God Teaches Me:**

Divine love richly provides everything now

I am a radiating center of love. I am peaceful and free.

Guided by divine wisdom, I soar to new heights of understanding.

Divine life renews every cell of my body.

Trusting the prospering power of Spirit, I open to new and infinite blessings

My expressions of love and compassion pave the way to peace.

## **Closing Prayer**

Your peace surrounds me, Father. Where I go, Your peace goes there with me.

It sheds its light on everyone I meet. I bring it to the desolate and lonely and afraid. I give Your peace to those who suffer pain, or grieve for loss, or think they are bereft of hope and happiness. Send them to me, my Father. Let me bring Your peace with me. For I would save Your Son as is Your Will, that I may come to recognize my Self.

And so we go in peace. To all the world we give the message that we have received. And thus we come to hear the voice for God, Who speaks to us as we relate His Word; Whose Love we recognize because we share the Word that He has given unto us. And so we go in peace. Amen
